

## Faculty Position in the Institute of Laser Engineering, Osaka University

Outline	The Matrix Center (tentative name) which is established in June 1st, 2022 and valid until March 31st, 2027, of the Institute of Laser Engineering (ILE), Osaka University (OU), aims to realize a virtuous circle of human resources and knowledge through strategical and synergistical development of interdisciplinary collaboration, international collaboration, industry-university collaboration, and facility collaboration based on high-power-lasers, in cooperation with multiple departments of the University. OU invites applications for a full-time faculty position at the rank of Associate Professor. We are particularly interested in applicants who are willing to conduct research in two or more fields of laser science, materials science, fusion science, radiation science, and measurement science, etc. in cooperation with multiple departments of the University. In addition, the successful candidate will supervise students as a faculty member of the cooperating course in OU.
1. Position	Associate Professor
2. Number of Positions	1 (One)
3. Affiliation	Institute of Laser Engineering (Matrix Center) (tentative name)
4. Work Location	Suita Campus (2-6 Yamadaoka, Suita-City, Osaka, Japan)
5. Specialized Field	Laser science
6. Responsibilities	<ol> <li>(1) Promotion of interdisciplinary, internationally, and industry-academia collaborations based on high power laser science, in cooperation with multiple departments of the University.</li> <li>(2) Contributions to the joint usage/research activities of ILE.</li> <li>(3) Management of the power laser facilities and/or related equipment operation for the promotion of collaborations.</li> <li>(4) Teach courses, conduct practices, and offer research guidance on laser science at the undergraduate and graduate levels.</li> </ol>
7. Qualifications	[Essential] Applicants must have: (1) Ph.D. or equivalent in related field (2) Research experience using high-power laser (3) English language ability sufficient to fulfill one's work duties [Preferred] Applicants with Japanese language proficiency for daily communication.
8. Starting Date	October 1st, 2022 (or as soon as thereafter)
9. Term of Employment	The contract period shall be from the date of employment to March 31st, 2027. No renewal will be made.
10. Probationary Period	6 months
