

Faculty Position in the Institute of Laser Engineering, the University of Osaka

Outline	<p>The Institute of Laser Engineering (ILE) of the University of Osaka consists of the following four research divisions: Photon Beam Science Research Division, High Energy Density Science Research Division, Laser Fusion Science Research Division, Theory and Computational Science Research Division.</p> <p>At the Institute of Laser Engineering (ILE), the Quadruple Matrix Center (QMC) integrates academic, international, institutional, and industry-academic collaborations to realize a "fusion of knowledge" that transcends the barriers between disciplines, projects, institutions, and departments, with a focus on advancing new interdisciplinary areas leveraging high-power lasers.</p> <p>We invite applications for the position of Assistant Professor at the Quadruple Matrix Center (QMC) of the Institute of Laser Engineering, the University of Osaka, focusing on astrophysics, planetary physics, high-pressure material science, plasma science, fusion science, and quantum beam science, with an emphasis on developing new interdisciplinary areas using high-power lasers.</p> <p>The Institute of Laser Engineering, the University of Osaka https://www.ile.osaka-u.ac.jp/eng/index.html</p>
1. Position	Assistant Professor
2. Number of Positions	1 or 2 (One or Two) positions
3. Affiliation	The Quadruple Matrix Center, Institute of Laser Engineering
4. Work Location	Suita Campus (2-6 Yamadaoka, Suita-City, Osaka, Japan)
5. Specialized Field	Astrophysics, planetary science, high-pressure materials science, plasma science, fusion science, and quantum beam science, and other related fields.
6. Responsibilities	<ul style="list-style-type: none"> · Engagement in interdisciplinary research and education in the fields mentioned above. · Providing educational and research guidance to graduate and undergraduate students affiliated with the collaborative courses of the graduate school. · Administrative duties related to the operation of the Joint Usage/Research Center.
7. Qualifications	<p>[Essential]</p> <p>Applicants must meet the following requirements:</p> <ol style="list-style-type: none"> (1) The candidate must hold a master's or doctoral degree. (2) Outstanding research achievements in the relevant fields. (3) Enthusiasm and proficiency in either English or Japanese, sufficient to provide guidance in research and education for graduate school courses and majors.
	<p>[Preferred]</p> <p>The ability to collaborate across disciplines and with researchers from different fields to advance new interdisciplinary areas of research.</p>

8. Starting Date	April 1 st , 2025 (or as soon as possible thereafter)
9. Term of Employment	The contract period is five (5) years from the starting date ; however, the term of employment for those who have not obtained a doctoral degree will be three (3) years. *Following completion of the term, the contract may be extended, subject to continuity of work and performance evaluation. (Based on “73. Regulations Pertaining to Contract Period of National University Corporation Osaka University Fixed-term Staff, etc.”) The maximum extension limit is 10 years from the starting date.
10. Probationary Period	6 months
11. Employment Form	Based on “38. Regulations Pertaining to Working Hours, Holidays and Leave for National University Corporation Osaka University Limited Term Staff” https://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html *The Discretionary Labor System, (Special Work Type) will be applied with the applicant’s consent. (deemed working hours: 8 hours a day)
12. Salary and Benefits	Based on “47. Salary Regulations for National University Corporation Osaka University Limited Term Staff Subject to New Annual Salary System” https://www.osaka-u.ac.jp/en/guide/information/joho/kitei_shugyou.html
13. Insurance	Medical insurance and employee’s pension insurance of the Federation of National Public Service Personnel Mutual Aid Associations, Employment Insurance and Industrial Accident Compensation Insurance
14. Application Documents	Applications must be submitted in either English or Japanese and must include the following. 1. A Curriculum Vitae *Please use the university-provided form for educational/research positions, available at the following website. https://www.osaka-u.ac.jp/en/news/employ/links 2. A list of research achievements including original papers, review papers, books, patents, presentations at international conferences. 3. Reprints of three major original papers (photocopies are acceptable). 4. A list and brief description of awards and prizes. 5. An outline of research and education achievements (within two A4 pages). 6. A research plan and educational aspirations (within two A4 pages). 7. A list of external funding sources, including but not limited to domestic Grants-in-Aid for Scientific Research (please specify whether as principal investigator or co-investigator). 8. Other relevant information, such as domestic and international academic activities, social activities, and industry-academia-government collaboration. 9. Recommendation letters from two (2) professional references, including their name, affiliation, contact information, and relationship to the applicant. Alternatively, the names, affiliations, and contact details of two professional referees who are willing to be contacted regarding the applicant. Recommendation letters should be sent directly by the referees to the e-mail address below. *Personal information in the application documents will be used solely for the purpose of screening and hiring procedures and will not be disclosed to any third parties.

15. Sending Address and Contact Information	<p>Please submit the application documents via e-mail to: rezaken-syomu@office.osaka-u.ac.jp</p> <p>*Please include “Application for Assistant Professor in QMC (B)” in the subject line.</p> <p>*All documents should be consolidated into a single PDF file.</p> <p>*Ensure that the file is properly formatted to prevent any file corruption.</p> <p>*Attach the application documents in PDF format, ensuring that appropriate security measures are in place.</p> <p>*Please note that submitted application documents will not be returned.</p> <p>*If any difficulty in submitting by e-mail, please contact us.</p> <p>Contact Person: Professor Akifumi YOGO Tel: +81-6-6879-8766 E-mail: yogo.akifumi.ile@osaka-u.ac.jp</p>
16. Application Deadline	Must be received by no later than December 16, 2024 (Japan Standard Time).
17. Selection Process	<p>The document screening process will be followed by interviews. Only applicants who pass the document screening will be notified of the interview details within one month after the application deadline.</p> <p>*Travel and accommodation expenses incurred for the interviews will be the responsibility of the applicant. Applicants may request to arrange an online interview.</p> <p>*Please note that unsuccessful applicants will not be contacted.</p>
